

To current and prospective customers of COMSOL, Inc.

Re: Sole Source

To Whom it May Concern

We hereby state that COMSOL, Inc. is the sole issuer of licenses for COMSOL Multiphysics and its add-on products in the United States of America. Although COMSOL, Inc. will, on a case-by-case basis, allow certain customers to purchase licenses through resellers acting as purchasing agents, COMSOL, Inc. sells to such resellers at the same list price sold directly to the customers, the customers obtain the software and license files directly from COMSOL, Inc., and all support and other obligations are with COMSOL, Inc. and its corporate affiliates.
