

Presenter Guidelines

Oral Presentation

- All presentations are limited to a maximum of **15 minutes**, including Q&A.
 - *Note that sessions are tightly scheduled and will be monitored by the Session Chair.*
 - *We recommend preparing your talk to allow for 10-12 minutes of presentation and 3 minutes of Q&A.*
 - *If your presentation takes the full 15 minutes, we will skip the Q&A and move onto the next presenter.*
- Save your presentation file, in PPT or PPTX format, on a USB and provide it to the Session Chair ahead of your talk.
 - *Plan to meet with the Chair at least 10 minutes prior to the start of your session to load your presentation onto the computer.*
 - *If you would like the Session Chair to mention something in particular during your introduction, please let them know at this time.*
