

Local Attractions Guide

Extend your stay in Cambridge after the Conference and explore what this beautiful city has to offer. To find out more about things to do and places to visit while you are here please visit:

Here are a few of our favourite attractions:

Punting on the River

We recommend viewing the Colleges from the comfort of a Cambridge punt gliding gently along the River Cam. You can either hire a chauffeur punt from one of the many chauffeurs offered in the town centre or have enormous fun by punting yourself! More information can be found at:

Cambridge Walking Tours

The oldest Cambridge colleges are situated within the town centre and so a walking tour around our historic city is a must for first time visitors. Stroll along the same streets trod by Newton, Darwin, Watson & Crick – to name but a few. Visit notable buildings such as King’s College Chapel, Trinity College and St John’s College with the Bridge of Sighs.

There are many options available from morning and afternoon tours to the spine chilling Ghost tours – however we would recommend that you book early as they are all very popular. Tours can be booked by visiting:

Fitzwilliam Museum

The Fitzwilliam Museum was described by the Standing Commission on Museums & Galleries in 1968 as “one of the greatest art collections of the nation and a monument of the first importance”. This building hosts many permanent collections as well as special visiting exhibitions from around the world. Visit their website to find more information:
